DOCUMENT-IDENTIFIER: US 5950169 A

TITLE: System and method for managing insurance claim processing

Detailed Description Text (28):

As shown in FIG. 6, the party information frame includes name, address and driver information on the vehicle owner, lien holder and/or the insured. The frame for statements includes information on the party making the statement, the type of statement, and the statement itself. Loss information includes type of loss, relationship between vehicle owner and claimant, and specifics about the time and nature of the loss itself. Repair site information includes specifics on the repair site such as location and state or federal licensing, as well as repair agreement terms and amounts. The categories of information just enumerated are enterable by the user using the graphic user interface in combination with input devices such as a keyboard, pointing devices such as a mouse or pen, and software based interface logic.
